Where the Fuller Radiator Brush is used. It gets into every tiny crevice, spreads out to fill bigger ones, and removes every speck of dust. Handy for cleaning under the piano, back of pictures, and other hard-to-get-at places.

Faller Brushes are never sold in stores. Several hand-picked men, experts in household efficiency, demonstrate Faller Brushes in Canadian homes. One of these Faller Men will show them to you in your own home. He is a local man residing in your own community. He is a gentleman who may be admitted with confidence. His trained services are worth a few moments of the busiest woman's time. He will analyze the many outdoor and

household economies made possible by Fuller Brushes. He will show brushes which are surprisingly ingenious and useful. He knows many short-cuts to a clean home.

Fulker Brushes are made in Canada—of materials bought in Canada—designed by and for Canadians—and sold by Canadians.

Watch for the man who wears the Fuller trade mark button, and for the Fuller Red Tip Tag and Fuller trade mark on the handle of every brush he shows you. If a Fuller Man has not called at your home recently, please write us, and ask us to send you a copy of "The Handy Brush Book"—it's free. A post card will bring it.

JIM DUMPS had always felt quite blue,
When rest and other birds fell due,
Collectors seemed to fill the air,
And hundreds spring from ev'rywhere.
'Tis different now, no blues for him,
Since "FORCE" has made him "Barry Jim."

FORCE will make
you sunny, too.

Health and happiness go hand in hand. Health comes from good, nourishing food. Like wheat, and happiness follows. **FORCE** is wheat—an invigorating, nourishing and up-building food.

FORCE is whole wheat. Every bit of the grain is used, even the bran coating, tending to prevent constipation.

Whole wheat with milk supplies the vital nerve food and body-building elements.

The thin, crisp, melted flakes of FORCE
melt in the mouth. FORCE is always
ready to serve, either with fruit or without.
It gives time and money.
